Welcome To Little Lodge

Welcome to Little Lodge. This pack provides you the information you need to enjoy your stay.

Building Use

With sleeping capacity for twelve*, two communal spaces, a wet room and a kitchen, Little Lodge can provide a support building to a camping trip, or a stand alone accommodation unit.

* You may sleep up to sixteen by providing your own sleeping mats / camp beds and using the communal spaces to accommodate a maximum of four.

Contacting the Bentley Copse team

Should you have any queries or concerns during your stay, please call or WhatsApp **07563 044 832** to speak to the duty manager.

Must only be used for urgent queries after 6pm and before 8am.

Briefing your team

Please ensure the adults within your group are familiar with the facilities within Little Lodge.

Site information and rules

Our website contains our *Site Information* document that covers Bentley Copse facilities, activities and rules.

Please to familiarise yourself with our site information documents to minimise questions when you arrive.

Arrival

Check-In

Your arrival time will be detailed in your booking receipt.

Do confirm your arrival time with us on the morning of your arrival by calling 01483 202424, 07563 044 832 or emailing bookings@bentleycopse.org.uk

Reception is often staffed 9am to 5pm. Call **07563 044 832** to speak to the duty manager if reception is closed.

Equipment audit

While we aim to provide you with a full inventory of items as here, it is your responsibility to notify us of missing items upon arrival.

Items missing items upon departure will be charged at replacement cost.

Cleaning

Little Lodge and its facilities will have been handed to you in a clean and organised condition. Should there be any issues then please do let us know.

You are required to leave Little Lodge in a clean and organised condition, following the instructions within this document.

Failure to leave the facilities clean will result in cleaning charges of £25 per hour being made.

Keys

You will be provided with a set of keys that allow you to secure Little Lodge.

Camping

Camping space is available. This must be booked in advance.

Camping fees are not included in the building hire cost.

Facilities

Kitchen

The kitchen in Little Lodge is domestic sized with facilities to cater for groups of twelve.

Do let us know at the time of booking if you wish hire additional equipment.

You will need to bring your own t-towels, and cleaning supplies. A limited supply of cleaning products is available for the pre-departure final cleaning.

The catering cookware may not be used outside of Little Lodge.

Please bring your own water bottles or beakers if you wish to provide drinks to your group while accessing other parts of Bentley Copse.

The kitchen includes the following items. See the equipment checklist for a fully itemised list:

4 Ring electric hob

Dual oven / grill

Microwave

Fridge Freezer

Kettle

Metal cookware

Cooking utensils

Crockery and utensils for 12

Table and four chairs

Bunk Rooms

Little Lodge has twelve beds across two bedrooms.

You may sleep up to sixteen if the following conditions are met:

- Do not block any doorways
- Keep a 1m distance from heaters
- Do not use the kitchen while additional beds are occupied.

Bedding

You must provide you own bedding; either a single sheet and duvet/pillow or sleeping bag/ pillow. We have no bedding to loan or hire.

Back Room

This room is equipped with two folding tables and eight chairs. The wet-room is accessed from this room.

The tables and chairs may **not** be taken outside of the building. If you wish to dine outside, you must bring your own tables and benches.

Wet Room

Little Lodge has its accessible wet room for your exclusive use. This includes a shower with a seat, a toilet and a basin.

Indoor shoes

Please bring *indoor shoes* for use inside Little Lodge and keep the forest outside.

Other toilets and showers

There male, female, adult and accessible facilities on the outside of Little Lodge. These are opened during peak times.

The main washroom block, close to the main car park has youth and adult facilities. Access to the adult facilities is controlled using a coded lock, the number of which is C1982.

Cleaning

Little Lodge should be swept, mopped and clear of rubbish before departure.

Kitchen cleaning products are stored in a green caddy in the kitchen.

Wet-room cleaning products are stored in a red caddy in the kitchen.

Heating

The heating is controlled manually.

Electric heaters are individually switchable. You may adjust these if necessary. We will disable the heating during the summer months.

Energy Use

We do not recommend bringing and using high draw catering equipment (such as fryers). The supply to Little Lodge is limited, and overloading the circuits could result in you losing all ability to cater.

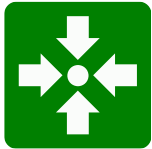

You may power personal or group devices (EG phones, laptops, radios, projectors) but you **may not** power high drain items without **written or emailed permission** from Bentley Copse. This includes but is not limited to : *Heaters, Water Boilers, Electric cars, E-Bikes, Tumble dryers, Power tools, External items including inflatables.*

Safety

Fire Safety

Little Lodge is equipped with a fire alarm and fire extinguishers. Please familiarise your group with their locations and of the fire exits.

Fire Assembly Points

There are two signed fire assembly points. These are marked on the site map.

- Adjacent to the flagpole on the field.
- North of the *Parker* campfire circle.

You should identify the closest fire assembly point to your visit and communicate its use to your group.

Should the closest point be unsuitable, such as being close to the source of fire, the alternative point should be used – *Or follow directions from Bentley Copse staff.*

Fire Drills and Building Evacuations

All groups are responsible for performing their own fire drills and preparing evacuation plans specific to their group.

Assistance is available from Bentley Copse staff should you wish to perform a realistic fire-drill.

Hazards and Risks

Read our *General Site Risk Assessment*, *Building Risk Assessments* and other documents on our downloads page. These will contain essential information.

<https://www.bentleycopse.org.uk/booking/downloads>

Risk Assessments

All groups are required to complete their own risk assessment for their visit to Bentley Copse and communicate / manage the risks with their group.

We advise all groups to visit the site to assist in preparing your risk assessments and procedures.

Departure

Empty accommodation

Your departure time will be on your booking receipt. Please ensure you have sufficient time to clean.

Do check for lost-property. A full sweep of all areas is recommended.

Rubbish

All waste should be put in the large blue bins located in the main car park

Cleaning

The facilities should be cleaned following the instructions within this document.

Use the photographs in the kitchen to store items where they live.

Use the equipment list to count items.

Check-Out

Please check-out with us before departure arrival. Reception is often staffed 9am to 5pm. Call **07563 044 832** to speak to the duty manager if reception is closed.

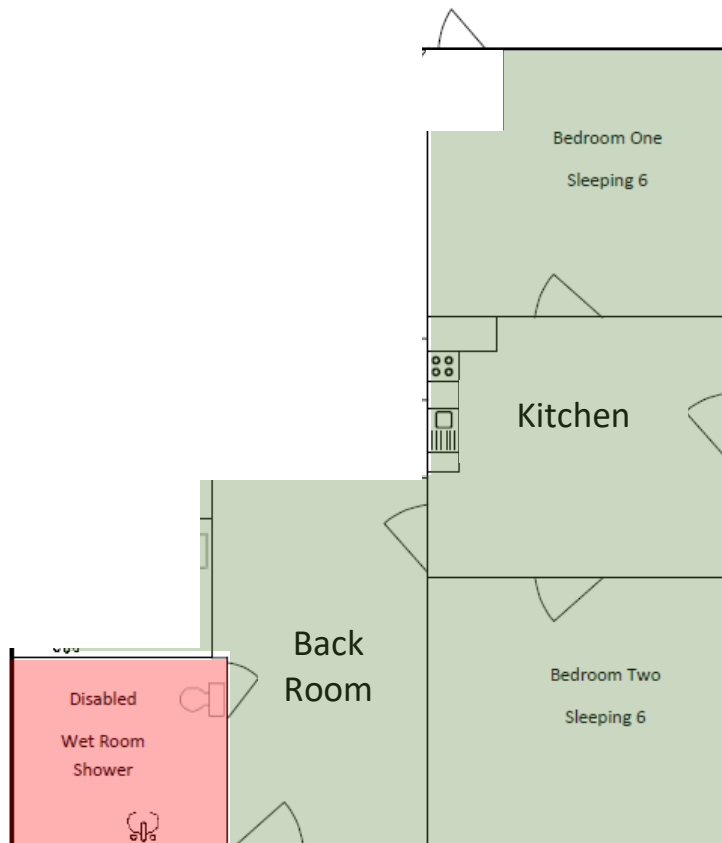

Layout

Building Layout and Mop Colour Zones

Note the colouring on this layout diagram : It matches the mop colours that may be used in each zone.

To avoid cross-contamination do not use a mop outside of its zone.

Cleaning Supplies

Kitchen cleaning supplies are stored in a green plastic caddy in the kitchen.
Wet room cleaning supplies are stored in a red plastic caddy in the kitchen.

Do contact us if you run out of cleaning supplies.

Little Lodge Photographs

Photographs, especially in the kitchen, are used to assist you during your arrival and departure. It is important to reference these when arriving and departing so that you can locate any misplaced items.

We strongly recommend going through the equipment check-list when you first arrive and alerting us if anything is missing or damaged.
